Mission Statement

At PassoinIndia Tours, our mission is to foster sustainable and responsible travel practices that respect and preserve the beauty of our planet. We recognize the transformative power of travel and the importance of protecting the natural and cultural environments that make each destination unique. We are dedicated to minimizing our environmental footprint while promoting positive social and economic impacts in the communities we visit. We are committed to reducing our carbon footprint and enhancing environmental conservation through various initiatives:

- Carbon Neutrality: We strive to achieve carbon neutrality by offsetting our emissions and investing in renewable energy projects.
- Conservation Efforts: We support conservation projects and collaborate with local organizations to protect wildlife and natural habitats.

By integrating sustainability into every aspect of our operations, we aim to work towards responsible travel that benefits present and generations to come.

Director's Message – Amandeep Singh

Passoinindia acknowledges its significant responsibility in shaping the future of tourism. As a company that collaborates with a wide range of stakeholders—including consumers, tour guides, travel agencies, hotels, transport providers, restaurants, and attractions—we recognize the influence our operations have on the industry and the communities we serve.

We are committed to embedding sustainability into the core of our business practices. Our objective is to adopt, implement, and promote responsible measures that maximize tourism's positive contributions while minimizing its adverse impacts. This commitment extends beyond our internal operations; we actively encourage and support our clients and partners in integrating sustainable practices into their own activities.

Through this policy, Passoinindia reaffirms its dedication to fostering a tourism sector that is environmentally responsible, socially inclusive, and economically viable, ensuring long-term benefits for destinations, local communities, and future generations.

Our sustainability policy is structured around 10 core themes. Each theme encompasses a set of guiding principles, accompanied by practical actions to ensure effective implementation. Additional information is available through Passoinindia's official site

1. Sustainability Management & Legal compliance

At Passoinindia Tours, we are dedicated to embedding sustainability into every aspect of our operations. Our approach is guided by responsible practices that balance environmental stewardship, social responsibility, and economic growth. We demonstrate this commitment through the following actions:

- To have an appointed employee who is responsible for sustainability coordinator tasks

- Base planning, design and construction of new buildings or renovations, on locally appropriate and feasible sustainable practices and materials;
- Contribute to the protection and preservation of local historical, archaeological, culturally, and spiritually important properties and sites, and not impede access to them by local residents;

4. Partner agency

Based on an inventory of our key partner agencies, Passoinindia Tours has developed and implemented a policy to improve sustainability of our partner agencies. Our aim is to make sustainable development concrete to each and every partner within our business.

We commit to this by;

- Keeping a list of the sustainability practices of partner accommodations and agents;
- Only working with organisations who are truly implementing sustainability in their tourism policy;

- Minimalizing the ecologic footprint of the office by travelling mainly via public transport, working as paperless as possible, separating waste, and to make use of certified recycled paper;
- Paying attention to the local benefits of communities when selecting local accommodations and their social policy for employees;
- Raising awareness among key partners on sustainable consumption by organising (online) campaigns and trainings;
- Informing key partners on the Travelife and national tourism standards;
- Having a cooperation contract including an annex of the national code of conduct for local partners to encourage their practices towards sustainability;
- Evaluating the sustainability practices regularly of our key partners to ensure their practices are truly sustainable;
- Informing key partners about the travel companies' sustainability policy and that they are expected to comply with it and/or communicate it to final customers where relevant;
- Including key sustainability clauses in contracts with inbound/receptive partners;
- Motivating incoming/inbound partners to participate in sustainability trainings for travel companies;
- Having a written contract with partner agencies;
- Including clauses in the partner contracts that enable contract partners to end the contractual agreement prematurely if the partner company does not take adequate measures to prevent sexual exploitation of children within the direct supply chain;
- Ensuring that partner companies comply with all relevant national laws protecting the rights of employees;

5. Transport

We try to ensure that vehicles used on tours do not cause more than average pollution. We believe that transport is an important aspect of sustainable tourism, and we do our best to decrease the average pollution level.

We commit to this by;

- Selecting the most sustainable options considering price and comfort when selecting transport options to the destination;
- Including sustainable (public) transport to the point of departure for the international/long distance journey;
- Considering and giving preference to more sustainable alternatives when selecting transport options for transfers and excursions in the destination, taking into account price, comfort, and practical considerations;
- Integrating and/or promoting one or more sustainable holiday products/packages based on a recognised methodology, including sustainable transport, sustainable accommodations, and sustainable activities.

6. Accommodations

At Passoinindia Tours we prioritize accommodations that demonstrate a commitment to eco-friendly practices. Preference is given to locally-owned, independent establishments and those with recognized sustainability certifications. We commit to this by;

- Selecting accommodations that comply with sustainability and quality standards
- Motivating and encouraging partner accommodations to become sustainably certified
